

S.NO	Nature of the Programme	Title of the programme	Date	Total Number of participants	
				Internal	External
1	HANDS ON TRAINING	Bio signal processing using MAT LAB	23.10.2020	123	41
2	SEMINAR	Artificial Intelligence in biomedical engineering	17.11.2020	119	37
3	CONFERENCE	International Conference on Future prospects of Biotechnology and Biomedical Applications (ICFBB 2020)	18.12.2020 – 19.12.2020	97	44
4	SEMINAR	Cardiac vascular disease (CVDS)	04.03.2021	116	39
5	ACADEMIC GUEST LECTURE	IOT and Robotics in Biomedical Engineering	30.09.2021	25	12
6	WEBINAR	Data Analytics and its applications from Industrial perspective	11.09.2021	25	12
7	ALUMNI GUEST LECTURE	Skills for future readiness	09.10.2021	34	09
8	INDUSTRIAL GUEST LECTURE	Very Large Scale Integration	06.11.2021	35	08
9	INDUSTRIAL GUEST LECTURE	Role of a Biomedical Engineer in hospital	20.10.2021	27	20
10	ACADEMIC GUEST LECTURE	ADC,DAC and Sensor Interfacing	12.11.2021	50	08
11	ALUMNI GUEST LECTURE	The Best Job for Biomedical Engineer	11.12.2021	58	35

12	INDUSTRIAL GUEST LECTURE	Skill set for HCL Readiness	11.10.2021	29	12
13	INDUSTRIAL GUEST LECTURE	Role of Service Engineers and Job Opportunities in biomedical Field	21.09.2021	25	12
14	ACADEMIC GUEST LECTURE	Instrumentation, Signals and Images for the evaluation of Physiological systems	23.12.2021	71	25
15	WEBINAR	Current Trends and post Covid- 19future of medical electronics in India	03.06.2020 to 04.06.2020	34	08
16	ACADEMIC GUEST LECTURE	Awareness in Breast cancer and skin donation	10.12.2021	38	06
