INTERNAL ASSESSMENT TEST - III

Time Table for Second Year / Third Semester B.E/B.Tech.

Date	Branch	CIVIL	CSE	EEE	ECE	AGRI	MECH	BIO-MEDICAL	IT	BIO-TECH	FOOD-TECH
9/10/2017		Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations	Transforms and Partial Differential Equations
10/10/2017		Engineering Geology	Programming and Data Structures - II	Digital Logic Circuits	Object Oriented Programming & Data Structures	Soil Science and Engineering	Engineering Thermodynamics	Object Oriented Programming and Data Structures	Programming and Data Structures - II	Stoichiometry and Fluid Mechanics	Principles of Chemical Engineering
11/10/2017		Mechanics of Solids	Data Base Management Systems	Electro Magnetic Theory	Electrical Engineering & Instrumentation	Strength of Materials	Strength of Materials	Bio Chemistry	Data Base Management Systems	Bioorganic Chemistry	Food Chemistry
12/10/2017		Mechanics of Fluids	Computer Architecture	Linear Integrated Circuits and Applications	Digital Electronics	Fluid Mechanics and Hydraulics	Fluid Mechanics and Machinery	Sensors and Measurements	Computer Architecture	Cell Biology	Fluid Mechanics
13/10/2017		Environmental Science and Engineering	Environmental Science and Engineering	Environmental Science and Engineering	Electronics Circuits - I	Theory of Machines	Electrical Devices and Controls	Anatomy and Human Physiology	Environmental Science and Engineering	Environmental Science and Engineering	Food Process Calculations
14/10/2017		Surveying- I	Analog and Digital Communication	Electronic Devices and Circuits	Signals and Systems	Surveying	Manufacturing Technology - I	Signals and Systems	Analog and Digital Communication	Basic Industrial Biotechnology	Food Microbiology

Note :- Syllabus for the Internal Assessment Test - III are Fifth unit

TIME : FN 10.00 AM -11.30 AM

Copy to Chairman
Copy to Secretary & Joint Secretary
Copy to all HOD's
Copy to Notice Board
Copy to all staff Members thro Mail

INTERNAL ASSESSMENT TEST - III
Time Table for Third Year / Fifth Semester B.E/B.Tech.

Date	Branch	CIVIL	CSE	EEE	ECE	AGRI	MECH	IT
9/10/2017		Structural Analysis I	Discrete Mathematics	Power System Analysis	Digital Communication	Irrigation and Drainage Engineering	Computer Aided Design	Computer Networks
10/10/2017		Foundation Engineering	Internet Programming	Microprocessors and Microcontrollers	Microprocessor and Microcontroller	Solar and Wind Energy Engineering	Heat and Mass Transfer	Graphics and Multimedia
11/10/2017		Environmental Engineering I	Object Oriented Analysis and Design	Power Plant Engineering	Transmission Lines and Wave Guides	Farm Equipment	Design of Machine Elements	Object Oriented Analysis and Design
12/10/2017		Highway Engineering	Theory of Computation	Power Electronics	Principles of Digital Signal Processing	Design of Agricultural Machinery	Metrology and Measurements	Digital Signal Processing
13/10/2017		Design of Reinforced Concrete Elements	Computer Graphics	Electrical Machines - II	Environmental Science and Engineering	Post Harvest Technology	Dynamics of Machines	Web Programming
14/10/2017		Construction Techniques, Equipment and Practice		Control Systems		Agricultural Economics and Farm Management	Professional Ethics in Engineering	Wireless Communication

INTERNAL ASSESSMENT TEST - III

Time Table for Fourth Year / Seventh Semester B.E/B.Tech

Date	Branch	AERO	CIVIL	CSE	EEE	ECE	MECH	IT
9/10/2017		Total Quality Management	Structural Dynamics and Earthquake Engineering	Cryptography and Network Security	High Voltage Engineering	RF and Microwave Engineering	Total Quality Management	Cryptography and Network Security
10/10/2017	Avionics		Prestressed Concrete Structures	Graph Theory and Applications	Protection and Switchgear	Optical Communication and Networks	Mechatronics	Information Management
11/10/2017	Computational Fluid Dynamics		Water Resources and Irrigation Engineering	Grid and Cloud Computing	Special Electrical Machines	Embedded and Real Time Systems	Computer Integrated Manufacturing Systems	Grid and Cloud Computing
12/10/2017	Experimental Stress Analysis		Traffic Engineering and Management	Resource Management Techniques	Principles of Management	Satellite Communication	Power Plant Engineering	Data Ware Housing and Data Mining
13/10/2017	Fatigue and Fracture		Municipal Solid Waste Management	Ad hoc and Sensor Networks	Biomedical Instrumentation	Advanced Computer Architecture	Welding Technology	Software Testing
14/10/2017	Airframe Maintenance and Repair		Estimation and Quantity Surveying	Data Analytics	Microcontroller Based System Design	Opto Electronic Devices	Maintenance Engineering
